

The Department of Early Education and Care helps eligible families find and pay for quality early education and out-of-school time programs.

EEC also provides support for information and referral services to help families make informed child care choices, inclusive programming for children with special needs, parenting and family support.

EEC contracts with Child Care Resource and Referral Agencies (CCR&R) throughout the state to provide access to these services.

CCR&R Services: EEC Subsidy Management and Information and Referral for families on EEC Subsidies

For Families who

- May qualify for financial assistance
- Are currently receiving EEC subsidies (vouchers or a contracted slot)

For Programs that

- Accept or are interested in accepting children on EEC subsidies

CCR&R Services: Information and Referral

For Families who need

- Information to make informed child care choices
- Information on inclusive programming for children with special needs
- Parenting and/or family support

For Programs

- All EEC programs should maintain contact with their local CCR&R in order to keep their information up to date
